No. 1811 Cary street, Richmond, Va. Having just returned from the North, I desire to inform the citizens of Richmond and all consumers of ICE, that I have made ample arrangements for a large and continuous supply throughout the season, and while prices must rule higher than last season, owing to the short crop at the North and the larger demand at the South, I shall be prepared to furnish my customers and all who may favor me with their patronage regularly and promptly throughout the season at as low prices as it can be bought in this market. Thankful for the liberal patronage betowed on me during the past twenty years. I trust by prompt attention and increased facilities for conducting the business, to merit a continuance.
